

THERMAL BINDING COVERS

Advocate

A window allows your first page to show through. Also available without window.

Advocate covers are made from a durable, textured card stock with embossed ridges — available in three Colours. All covers come with a strip of glue in the spine and pre-scored hinges in front and back.

The textured card stock cover is both elegant and durable — binding up to 540 pages. White is also available in glossy and matte card stock.
