LA-EX Paper Drill

4 Head paper drill

Key product features:

- 2, 3 or 4 Headed drill
- Up to 65mm drill
- Operated by two push button or foot switch

LA-EX series is designed for taking ease of operation, high cost performance with accuracy and safety into consideration. The Inverter equipped LA-EX series synchronizes both spindle rotation and stroke speed which is easily adjusted by a switch located at the front table. Simple to adjust drill bit heights save time and independently moving drilling heads are the perfect solution for any irregular pitch drilling

LA-EX Paper Drill

4 Head paper drill
